BUDGET MESSAGE

July 26, 2013

Alas, 2014 is coming. And of course, a new budget is essential in facing the up-coming New Year. Hence, in my behalf, I am ready in another batch of trials and challenges which I have to overcome.

In my recollection, 2013 planning and budgeting seems to be fruitful. All our targets and dreams have been brought to a realization. But still, there are some which truly needs completion.

Like in our Multi-Purpose Hall, we have allocated budgets for the finishing touches including its furnitures and fixtures. The Airconditioning Unit Split Type is also included to eliminate the warm temperature during daytime. The renovation of Pavements and Fences of its surroundings is also essential in completing the modernization of our humble Multi-Purpose Hall.

In our MOOE, Telephone & Internet Installation and Expenses have been budgeted. Others is the Renewal and Registration of our Multicab and Tricycle. Also, we are going to set-up an additional Streetlights to Sitio Dagatan (to lighten its Dark Streets), the Construction of a Concrete Foot Bridge at Sitio Quezon (to enable the many constituents of a more reliable and dependable bridge which they could pass through), and the acquisition of a 50 sq. mtrs lot to give way for the Construction of a Talipapa at Sitio Mataas na Bayan.

The Improvement of Senior Citizens Office, Health Centers, purchase of tables, chairs, electric fans, cabinets and medicines are also included. In our BDRRMC Fund, Purchases of Early Warnig Device (Calamity Alarm), Bed Pan, Two Way Radio, Rescue Roof, Stretcher, additional Life Jackets and Rings and Emergency Medical Kit.

In view of these targets, may God extend His love and Guidance in bringing this dream a reality.

God bless PAPANDAYAN!!
